

MEETING

International Association of Forensic Sciences
12th Meeting, Adelaide, South Australia
24-31 Oct. 1990

Information about the 12th Meeting of IAFS, which has "Towards a Professional Profession" as its theme, is available from IAFS 1990, P.O. Box 753, Norwood, South Australia, 5067. The first circulation and call for papers is planned for early 1989, and circulation of registration documents for early 1990.

MEETING

Uses of the Forensic Sciences—Forensic Science on Trial is an international conference to be held in Glasgow from 12-15 April 1989. This will follow the pattern of the last such conference with mornings devoted to plenary lectures and afternoons short 30-min papers in parallel sessions. You are invited to submit short papers in the areas of forensic science, forensic medicine, law, crime investigation, odontology, and any other field related to the forensic sciences, to Windsor Conferences and Exhibitions, 26 Windsor Crescent, Elderslie, Johnstone, PA5 9QU, U.K.
