

ERRATUM

Erratum/Correction of Crouse CA, Rogers S, Amriott E, Gibson S, Masibay A. Analysis and interpretation of short tandem repeat microvariants and three-banded allele patterns using multiple allele detection systems. *J Forensic Sci* 1999 Jan;44(1):87-94.

Figure 2 in the above-referenced paper did not reproduce properly. A correct Figure 2 is published below, along with the original caption. The Journal regrets this error.

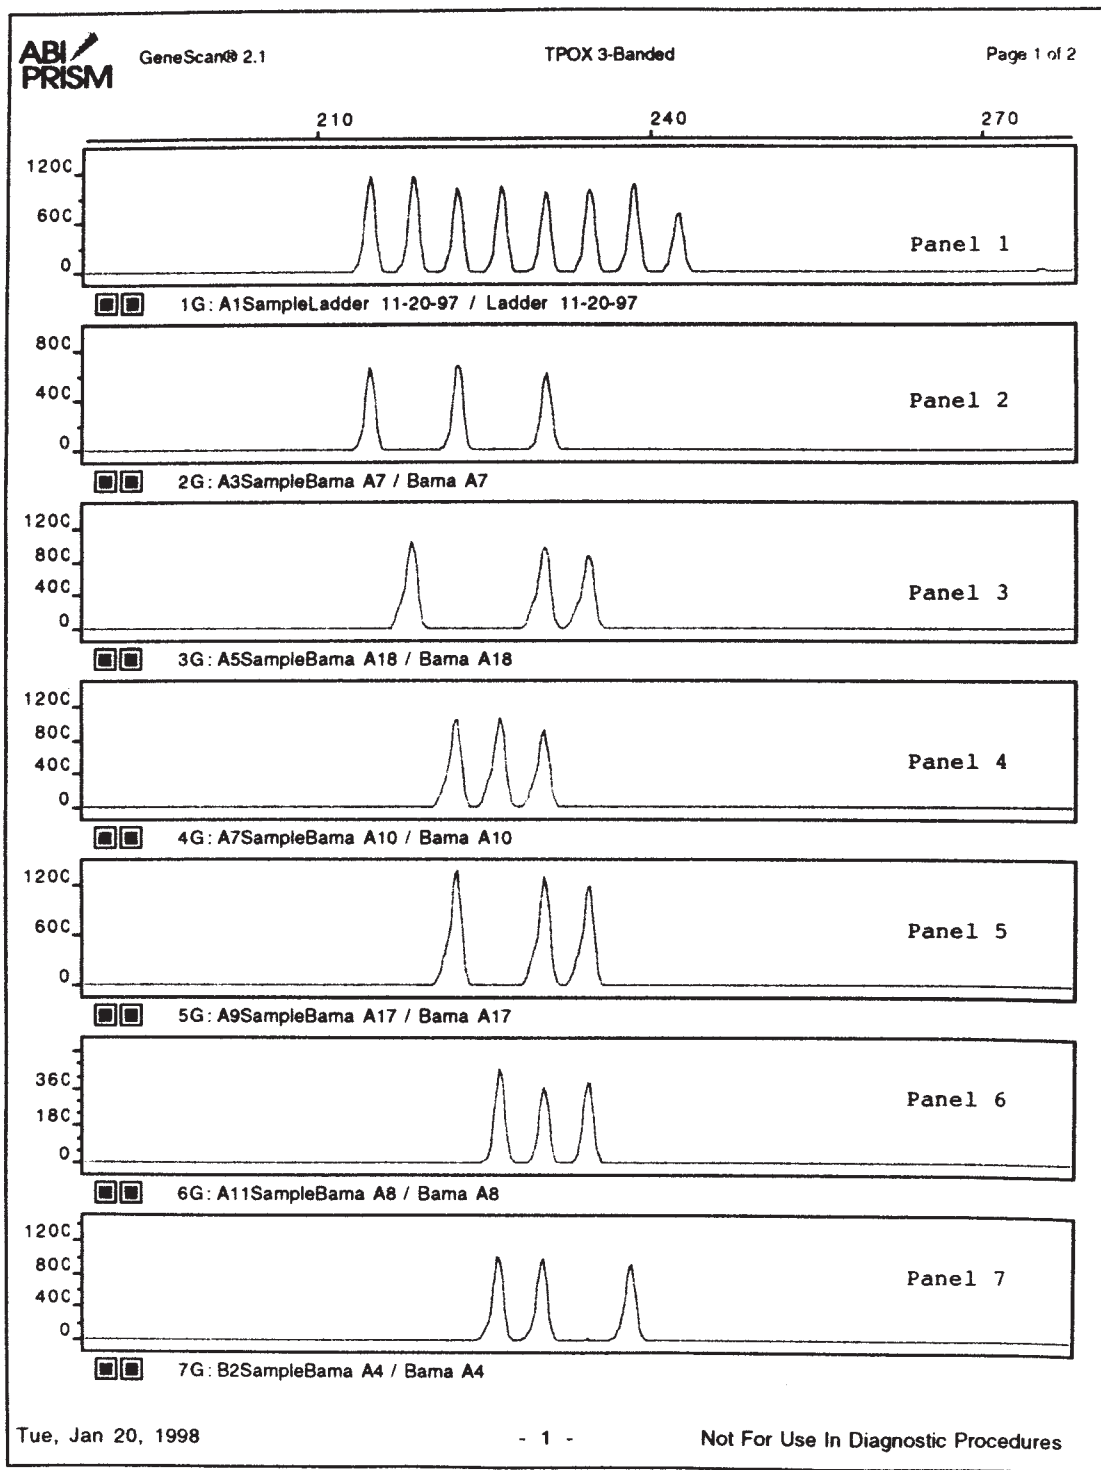

FIG. 2—Capillary electrophoresis of six fluorescently-tagged TPOX three-banded patterns (Compare Fig. 1 lanes 7, 16, 18, 12, 8 and 5 with panels 2 through 7, respectively). AmpFISTR Green I multiplex was used for amplification and the ABI CE310 for allele detection. The TPOX allelic ladder is shown in Panel 1.

Editor's Note: Any and all future citations of the above-referenced paper should read: Crouse CA, Rogers S, Amriott E, Gibson S, Masibay A. Analysis and interpretation of short tandem repeat microvariants and three-banded allele patterns using multiple allele detection systems.
