

Recognition/Appreciation of Guest Reviewers—2004

The success of the *Journal of Forensic Sciences (JFS)* depends both on the quality of the manuscripts submitted and of the peer reviews performed by both Editorial Board Members and Guest Reviewers. I would like to offer my thanks to all who have assisted JFS in the review process. In appreciation of all the efforts of the Guest Reviewers in 2004 I have listed them in this issue of JFS. In addition I would like to recognize Ms. Colleen Wade of the FBI Laboratory who has coordinated the many reviews performed by that organization throughout 2004.
