

## ERRATUM

REFERENCE: May SE. The effects of body mass on cremation weight. *J Forensic Sci* 2011;56(1):3–9.

An error has been noted in reference (27). The published citation reads:

Van Deest TL. Sifting through the “ashes”: age and sex estimation based on cremains weight. Proceedings of the 59th Annual Meeting of the American Academy of Forensic Sciences; 2007 Feb 19–24; San Antonio, TX. Colorado Springs, CO: American Academy of Forensic Sciences, 2007;13:378–9.

The citation (27) should be corrected, as the NBCFH data were drawn from the following reference:

Van Deest TL. Sifting through the ashes: age and sex estimation based on cremains weight [Masters Thesis]. Chico (CA): California State University, 2007.

For additional information, this publication should also be noted:

Van Deest TL, Murad TA, Bartelink EJ. A re-examination of cremains weight: sex and age variation in a Northern California sample. *J Forensic Sci* 2011;56(2):344–9.

Also, thanks to the Newton-Bracewell Chico Funeral Home for graciously allowing the association of their name with the paper, although requested subsequent to its publication.

I apologize for any inconvenience caused by these errors.
