

Erratum

Simple transient release rate models for releases of pressurised liquid petroleum gas from pipelines, by V.H.Y. Tam and R.B. Higgins (J. Hazardous Materials, 25 (1990) 195-203).

Due to an unfortunate mishap the text on page 196 in above mentioned paper was omitted and page 195 printed twice.

On the reverse side of this Erratum you will find the text that should have appeared on page 196.
