Reviewer Acknowledgment

Journal of Hazardous Materials gratefully acknowledges the following individuals for their time and efforts in assisting the Editors with the reviewing of papers December 1, 2010 – October 30, 2011. The journal's quality and impact have continued to improve during the past year. These achievements would not have been possible without the efforts of the Reviewers. We hope that we may continue to call upon the expertise of these and other valued colleagues in the next year.
