

NEW EDITOR

We are pleased to announce that

Professor John Lamb,
Department of Chemistry,
Brigham Young University,
Provo, Utah 84602, USA.
Fax: 801-378-5474

is the new Editor-in-Chief covering the Americas.

NEW FEATURE – RESEARCH COMMUNICATIONS

As the *Journal of Inclusion Phenomena* is now published monthly we can offer a Research Communication facility with the aim of rapid publication of novel and innovative work with supramolecular assemblies. These publications should not exceed 1500 words in length and may contain up to four illustrative items.

MSS should be submitted to one of the Editors (Dr Davies, Professor Lamb or Professor Murakami) or to the Editorial Office.

Dr Eric Davies,
Environmental Science Division,
Lancaster University,
Lancaster,
Lancs LA1 4YQ, UK
Fax: 0524-843854

Professor Yukito Murakami
Department of Organic Synthesis,
Kyushu University,
Hakosaki, Higashi-ku,
Fukuoka, 812 Japan
Fax: 092-641-1825

Publication times of all MSS will be reduced if the MS is submitted in laser printed camera ready form in the *Journal* style. The relevant information is:

Typing area:	15.2 * 21.6 cm. 47 lines of text.
