

Preface

Sixth International Seminar on Inclusion Compounds

This issue contains a selection of the oral presentations presented at the above Seminar which was held in Istanbul, Turkey, 27–31 August 1995. A future issue will contain a selection of papers presented as posters at the Seminar.

Istanbul lies at the junction of the Bosphorus and the Marmara Sea, and it contains a wealth of architectural treasures. The Seminar was held at the Tarabya Hotel on the shores of the Bosphorus in a friendly atmosphere. A total of 104 participants from Australia, Austria, Canada, Germany, Hungary, Japan, Korea, Moldova, Netherlands, Poland, Russia, Ukrania, United Kingdom and USA, as well as the Turkish participants attended the Seminar. We were very pleased to have J.L. Atwood, J. Brickmann, J. Dale, A.W. Coleman, J.E.D. Davies, E.M. Eyring, Y. Inoue, T. Iwamoto, R.M. Izatt, J.D. Lamb, L.F. Lindoy, J. Lipkowski, L.R. Nassimbeni, J. Ripmeester, H. Schneider, J. Szejtli and D.H. Williams as Plenary Speakers. By organizing the 6th International Seminar we aimed to achieve much exchange of scientific knowledge between the young reseachers and eminent contributors. We were pleased that we succeeded in that aspect.
