SYMPOSIUM ON ISOTOPE SEPARATION AND APPLICATIONS  
2nd Meeting of the Canadian Chapter of the International  
Isotope Society  
Gray Rocks Inn, St.Jovite, Quebec, Canada  
October 11-13, 1990

Following the highly successful meeting of the Canadian Chapter of the IIS in August 1989, the 2nd Symposium planned for October this year has been expanded to include sessions on new techniques and technology for separating isotopes. Five technical sessions are planned as follows:

- (1) Medical Applications and Imaging
- (2) Environmental and Analytical Applications
- (3) Labelling and Tracer Studies
- (4) Isotope Separation and Production
- (5) Isotope Effects and Reaction Mechanisms

The first session is planned to commence at 2 p.m. on Thursday 11 October, which will be followed by a dinner and a Poster Session with refreshments. Full sessions are planned for Friday 12 October with an evening session and social hour. The final morning session on Saturday 13 October will end followed by luncheon.

Attendees need to make reservations directly for accommodation at Gray Rocks Inn (819)425-2771. The Conference Registration fee is \$50.00 per delegate.

Persons wishing to attend the Symposium and to present a paper or poster should send for further details from the Conference Coordinator
