

EDITORIAL ANNOUNCEMENT

On behalf of the publishers John Wiley & Sons Limited, we are pleased to announce the appointment of Professor John R Jones as a UK Editor of the Journal of Labelled Compounds and Radiopharmaceuticals. Professor Jones has been a member of the Advisory Board for the Journal since 1987 and is currently Professor of Radiochemistry and Head of the Chemistry Department at the University of Surrey, Guildford. He graduated in Chemistry from the University College of Wales Aberystwyth in 1955, with a Doctorate from the same University in 1961. Subsequently in 1979 he was awarded the degree of Doctor of Science from the University of Wales. He joined the staff at the University of Surrey (formerly Battersea Polytechnic) in 1961.

Professor Jones is author, co-author or editor of numerous publications relating to the synthesis and applications of isotopically labelled compounds, as well as being a member of the Executive Committee for the International Isotope Society. He is therefore extremely well qualified to take on the tasks as an Editor for the Journal of Labelled Compounds and Radiopharmaceuticals.

Contributors to the Journal can now send their manuscripts to the appropriate Editor Professor Jones or Professor Evans in the UK, Dr L Pichat (France) and Dr A P Wolf (USA)
