ERRATA

In the article “Two novel quantitative trait loci on mouse chromosomes 6 and 4 independently and synergistically regulate plasma apoB levels” by Carol Ko et al., published in the May 2001 issue of the *Journal of Lipid Research* (Volume 42, pages 844–855), the authors would like to insert the following acknowledgment: “We thank Michael McQuade and Sara Kim for their excellent technical assistance. We also thank Dr. Moonseong Heo for his comments on the statistical analysis and Dr. Karen Moore for providing the information on polymorphic microsatellite markers between the B6 and 129 strains. This work was supported by a New Investigator Pilot Award, a Grant-in-Aid from the American Heart Association, and National Institutes of Health Grants R01 HL-62583 (to L-S. Huang), DK-26687 (to S. C. Chua, Jr., and D. B. Allison), ES-09912 (to D. B. Allison), and DK-51716 (to D. B. Allison).”
