RADIVOJE VUKOVIĆ (1937-2007)

The *Journal of Macromolecular Chemistry, Pure and Applied Science* sadly announces the death of a respected scientist, author, and longtime friend to this journal, Dr. Radivoje Vuković. Dr. Vukovic died unexpectedly on September 09, 2007, at the age of 70.

He was associated with this Journal for many years and will be sorely missed. Our condolences go out to his family, as well as his colleagues, research group, and dear friends at INA-R&D. He truly was a special man as well as distinguished scientist.
