This article may be used for research, teaching and private study purposes. Any substantial or systematic reproduction, re-distribution, re-selling, loan or sub-licensing, systematic supply or distribution in any form to anyone is expressly forbidden.

The publisher does not give any warranty express or implied or make any representation that the contents will be complete or accurate or up to date. The accuracy of any instructions, formulae and drug doses should be independently verified with primary sources. The publisher shall not be liable for any loss, actions, claims, proceedings, demand or costs or damages whatsoever or howsoever caused arising directly or indirectly in connection with or arising out of the use of this material.

Retraction

Article title: A Study on End Group Characterization of Poly (phenacyl methacrylate) Polymer Produced by Free Radical Polymerization

Authors: M. Faith Coskun, Kadir Demirelli, and Mehmet Coskun

Bibliometrics: Volume 44, Number 10, 2007, pages 1133–1139

DOI: 10.1080/10601320701524401

Following erroneous publication in 44(10), the Editor in Chief has informed the Publisher that the article was published again in final form in 44(11):

Article title: A Study on End Group Characterization of Poly (phenacyl methacrylate) Polymer Produced by Free Radical Polymerization

Authors: M. Faith Coskun, Kadir Demirelli, and Mehmet Coskun

Bibliometrics: Volume 44, Number 11, 2007 pages 1217–1223

DOI: 10.1080/10601320701561189

We therefore retract the version published in 44(10). Please refer to the paper in 44(11) as the final version.
