

## **Erratum to: Reflections on the conformation, topology and thermodynamics of a polyelectrolyte chain in the presence of counterions with plausible applications**

**C. G. Jesudason · A. A. J. Agung**

Published online: 21 June 2013  
© Springer Science+Business Media New York 2013

**Erratum to: J Math Chem (2013) 51:1479–1514**  
**DOI 10.1007/s10910-013-0159-2**

Unfortunately, the second author's initial was incorrectly published both in the print and online versions of the article. The correct name should read as A. A. J. Agung and not A. J. P. Agung. The first author apologizes for this oversight.
