Editorial	v
Articles	
The influence of metal oxides on the activity and selectivity of transition metal catalysts [M]791 A.T. Bell (Berkeley, CA, USA)	1
C-H bond activation in hydrocarbon oxidation on solid catalysts [M]792 R. Burch and M.J. Hayes (Reading, Berkshire, UK)	13
Butane isomerization over platinum promoted sulfated zirconia catalysts [M]787 H. Liu, V. Adeeva, G.D. Lei and W.M.H. Sachtler (Evanston, IL, USA)	35
Catalysis by heteropoly compounds. Part XXVI ¹ . Gas phase synthesis of methyl <i>tert</i> -butyl ether over heteropolyacids [M]788 S. Shikata, T. Okuhara and M. Misono (Tokyo, Japan)	49
Unique selectivity for the dimerization of propene on RhSn/SiO ₂ catalysts: implications on the mechanism of C-C bond formation and cleavage on bimetallic catalysts [M]813 J. Toyir, M. Leconte, G.P. Nicolai, J.-P. Candy and J.-M. Basset (Villeurbanne, France)	61
A quantum-chemical study of <i>para/ortho</i> -toluene alkylation by adsorbed methoxy species on zeolites [M]789 A. Corma, G. Sastre (Valencia, Spain) and P.M. Viruela (Burjassot Valencia, Spain)	75
Zeolite catalysed synthesis of coumarin derivatives [M]815 E.A. Gunnewegh, A.J. Hoefnagel and H.v. Bekkum (Delft, The Netherlands)	87
Activation of dioxygen by copper complexes incorporated in molecular sieves [M]793 R. Robert and P. Ratnasamy (Pune, India)	93
Defect processes at low coordinate surface sites of MgO and their role in the partial oxidation of hydrocarbons [M]819 D.W. Lewis, R.W. Grimes and C.R.A. Catlow (London, UK)	103
Sn-promoting mechanism for ketone hydrogenation over Rh/SiO ₂ [M]794 K. Yoshikawa and Y. Iwasawa (Tokyo, Japan)	115
Evidence for kinetic and oxidative stabilization of Rh on Mo-promoted Rh/Al ₂ O ₃ [M]836 E.E. Lowenthal (Newark, DE, USA), L.F. Allard (Oak Ridge, Tennessee, USA), M. Te and H.C. Foley (Newark, DE, USA)	129
Interfacial coordination chemistry. Current status and applications [M]854 C. Lepetit and M. Che (Paris, France)	147
Examination of vanadium contaminated pillared rectorite catalysts with the atomic force microscope [M]790 M.L. Occelli (Atlanta, GA, USA), S.A.C. Gould, J.M. Tsai (Claremont, CA, USA) and B. Drake (Santa Barbara, CA, USA)	161
Author index (Vol. 100)	167-168
Subject index (Vol. 100)	169-171
Cumulative author index (Vols. 80-100)	173-206
Cumulative subject index (Vols. 80-100)	207-318
Contents (Vol. 100)	319
