Announcement

2007 Don Breck Award

The 2007 Don Breck Award will be given to an individual or a group for the most significant contribution to molecular sieve science and technology achieved between January 1st 2003 and December 31st 2006. The Award is administered by the International Zeolite Association.

The Award Committee is soliciting nominations to be received no later than January 31st 2007. The nominations should be sent to the (non-voting) chairman of the Award Committee, Dr. Giuseppe Bellussi-EniTecnologie Via Maritano 26, 20097 San Donato Milanese, Milan, Italy.

The nominations must be accompanied by a list of references, a two-page summary outlining in detail the novel findings and their scientific merit and an endorsement by five established zeolite scientists.
