

## Publisher's Note

With this issue of the Journal of Molecular Catalysis B : Enzymatic, Dr. David Dodds will step down as the U S Regional Editor of the journal. We would like to thank David for his unfailing support and valuable input during the past years.

We are pleased to announce that Professor J D Stewart at the University of Florida, Gainesville, USA has accepted our invitation to become the new US Regional Editor as from 1 August 2002. We wish him every success and much personal satisfaction in this new position.

From this date onwards, manuscripts should be submitted to Professor J. D. Stewart at the following address:

Dept. of Chemistry  
127 Chemistry Research Building  
P.O. Box 177200  
Gainesville, Fl. 32611-200, USA  
Fax : + 1 352 846 2095  
E-mail : [jds2@chem.ufl.edu](mailto:jds2@chem.ufl.edu)
