Erratum to: J Mol Model (2009) 15:1317–1328
DOI 10.1007/s00894-009-0493-2

The original version of this article unfortunately contained a mistake. The RMSD comparative values given in the 6th paragraph of the Introduction section were wrong. The correct text should be: (i) X-ray versus ssNMR: 4.0 Å; (ii) X-ray versus solution NMR: 4.0 Å and (iii) ssNMR versus solution NMR: 4.6 Å. This error does not change any of the conclusions of the work.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s00894-009-0493-2>.
