ERRATUM

For the article "Inhibitory Effect of Carnosolic Acid on HIV-1 Protease in Cell-Free Assays" by Pariš *et al.* (*J. Nat. Prod.*, **56**, 1426–1430, 1993), the name "carnosolic" acid was used instead of the proper term "carnosic" acid, which is being currently used in Chemical Abstracts. The authors regret the error.
