

Additions and Corrections

1999, Volume 62

Nianbai Fang and John E. Casida*: New Bioactive
Flavonoids and Stilbenes in Cubé Resin Insecticide.

Page 206: In Chart 1, structures **1** and **2** should have a
double bond between the 2 and 3 positions and structure
8 should have 6', 5' in place of 2', 3'.

Page 208: In Table 5, carbon 1' of compound **8** should
read 109.5 s not 109.5 d.
