Kristina Jenett-Siems, Macki Kaloga, and Eckart Eich: Ergobalansine/Ergobalansinine, a Proline-free Peptide Type Alkaloid of the Fungal Genus *Balansia* is a Constituent of *Ipomoea piurensis*.

Pages 1304–1306: The plant described in this paper as *Ipomoea piurensis* O'Donell was misidentified due to a coding error. It has been reidentified as *Ipomoea asarifolia* (Desr.) Roemer & Schultes (white-blooming form).
