

Additions and Corrections

2005, Volume 68

Tetsuo Iwagawa,* Naoto Nishitani, Munehiro Nakatani, Matsumi Doe, Yoshiki Morimoto, and Kaoru Takemura: Briarlides I–R, Briarane Diterpenes from a Gorgonian *Briareum* sp.

Page 34, Chart 1: The relative configuration of C-9 in compounds **1–15** is S^* , and therefore to avoid misunderstanding, the structure of the 10-membered ring should be revised as follows.
