

Additions and Corrections

2005, Volume 68

Jie Sun, Dayong Shi, Ming Ma, Shuai Li, Sujuan Wang, Lijun Han, Yongchun Yang, Xiao Fan,* Jiangong Shi,* and Lan He*: Sesquiterpenes from the Red Alga *Laurencia tristicha*.

Page 915: The structure for compound **6** should be corrected as shown.

Page 918: In the structure elucidation description for **6**, “These enhancements revealed that the methyl and isolated methylene groups on the [3.1.0]bicyclohexyl moiety were *cis* oriented”, should be corrected to “These enhancements revealed that the methyl and isolated methylene groups on the [3.1.0]bicyclohexyl moiety were *trans* oriented.”

The authors apologize for any inconvenience caused by these errors.
