Erratum

Erratum to “Atomistic simulation of single kinks of screw dislocations in α -Fe” [Journal of Nuclear Materials 386–388 (2009) 26–29]

Lisa Ventelon, F. Willaime, P. Leyronnas

Service de Recherches de Métallurgie Physique, CEA/Saclay, 91191 Gif-sur-Yvette, France

On page 26, the second paragraph of Section 2 should read:

“A perfect agreement is obtained between the formation energies computed from either the single-kink simulation cells or the cells with three single-kinks or a kink-pair on each dislocation.”
