

# Additions and Corrections

---

Vol. 62, 1997

**Shin-ichiro Mohri, Marijan Stefinovic, and Victor Sneickus\***. Combined Directed *Ortho*-, Remote-Metalation and Cross Coupling Strategies. Concise Syntheses of the Kinamycin Biosynthetic Grid Antibiotics Phenanthroviridin Aglycon and Kinobscurinone.

Page 7072, column 1. In line 13, ref 8 should be refs 9a and 10. In lines 18 and 19, the order of the referenced works should be Gould, Hauser, and Echavarren, respectively. Column 2. In line 10, refs 10 and 21 should be refs 20 and 21.

Page 7073, column 2. In line 6, ref 12 should be ref 11a.

References 1 and 2 should be interchanged with 3 and 4 and ref 9b should be added.
