

# Additions and Corrections

---

Vol. 64, 1999

**Roger J. Mulder, Cynthia M. Shafer, and Tadeusz F. Molinski\***. First Synthesis of Bengazole A.

Page 4995. The third paragraph, second sentence should begin, "Addition of 2-lithiooxazole (10 equiv, generated from **2**,<sup>17</sup> *n*-BuLi, THF,  $-78$  °C, 20:1 v/v THF/hexanes, 30 min)...", not "...1:20 v/v THF/hexanes..." as printed. The stereoselectivity of this critical C–C bond-forming reaction is highly dependent upon the ratio of the mixed solvent.
