

Vol. 65, 2000

Albert Padwa* and Alex G. Waterson. Studies Dealing with Thionim Ion Promoted Mannich Cyclization Reactions. Page 238. The transformation of structures **29/30** to **31/32** in Scheme 9 was incorrectly drawn. This scheme should be modified as indicated below. We thank Professor Stephen Martin, University of Texas, for pointing this out to us.
