**Noemí González, Jaime Rodríguez, Russell G. Kerr, and Carlos Jiménez\***. Cyclobutenbriarein A, the First Diterpene with a Tricyclo[8.4.0.0<sup>3,6</sup>]tetradec-4-ene Ring System Isolated from the Gorgonian *Briareum asbestinum*.

Page 5118. The stereochemistry of C-1 in compound **1** was assigned incorrectly. As pointed out by T. Okino, Hokkaido University, C-1 in compound **1** should be assigned as 1*S* rather than 1*R*. Thus, the statement in ref 13 is incorrect. Note that the structure in Chart 1 is not in question; the change to be made is only in the nomenclature of compound **1**.
