

Joel S. Sandler, Patrick L. Colin, Michelle Kelly, and William Fenical.* Cytotoxic Macrolides from a New Species of the Deep-Water Marine Sponge *Leiodermatium*.

Page 7248. The absolute stereochemistry for C15–17 should be assigned as 15*S*,16*R*,17*S* rather than 15*R*,16*S*,17*R*. In addition, the absolute configuration indicated in Figure 2 must be revised as shown below:
