Page 683. In all contexts, BzNH₂ should be replaced with BnNH₂. In the list of authors, Ranyanil should be replaced with Rayanil. The graphic in Scheme 1 is the same as the graphical abstract. It should be replaced with the graphic from Figure 1. In reference 8, Chicheter should be changed to Chichester.

Page 684. In Table 3, the blank cells of entries 1, 4, 7, 11, 12, 13, 15, 17, 19, 20, 21, 23, 24, and 25 should be filled with “0”. In accord with changes made to page 683, there should not be a Figure 1 in this paper.

Page 685. In Table 4, the products **12** and **13** were drawn incorrectly. The correct graphic is shown below:
