

## Correction to Asymmetric Synthesis of Sphinganine and Clavaminol H

Ramzi Ait-Youcef, Xavier Moreau, and Christine Greck\*

*The Journal of Organic Chemistry* **2010**, *75*, 5312–5315. DOI: 10.1021/jo1003899

We described in this publication the synthesis of the enantiomer of clavaminol H: (2*S*, 3*R*)-**2**. As a consequence, each time clavaminol H appears in this paper, it should be replaced with *ent*-clavaminol H.
