

Correction to Enantioselective Conjugate Allylation of Cyclic Enones

Douglass F. Taber,* David A. Gerstenhaber, and James F. Berry

J. Org. Chem. **2011**, *76*, 7614. DOI: 10.1021/jo2013753.

Pages 7614–7615. We have found a systemic error in nomenclature in the Experimental Section. For compounds in the **3** series, the stereochemical indicators are backward - *S* should be *R*, and *R* should be *S*.
