This manuscript was withdrawn from publication by the Editor-in-Chief of *The Journal of Organic Chemistry*. The basis for the withdrawal is a violation of the *Ethical Guidelines to Publication of Chemical Research* of the American Chemical Society. Material was published in the referenced manuscript that was identical to material published, by the authors, in *Tetrahedron* **2012**, *68*, 9658–9664 and *Tetrahedron* **2013**, *69*, 1378–1386. The two manuscripts published in *Tetrahedron* were submitted on June 19, 2012 and July 11, 2012, and the manuscript to *The Journal of Organic Chemistry* was submitted on July 12, 2012 without disclosing to the editorial office of JOC the existence of the other manuscripts.
