

is important because certain specific information is required in order that a fair and equitable decision on the application may be made. Attendance of the Conference is limited to approximately 100 conferees.

A registration card will be mailed to those selected. Advance registration by mail for the Conference is required and is completed on receipt of the card and the deposit of \$ 30.00. The advance deposit is not required of scientists arriving in the United States from foreign countries. Checks are to be made payable to the Gordon Research Conferences. The deposit will be credited against the fixed fee for the Conference. A registration card not accompanied by the deposit will not be accepted.

*Special Fund.* A special fund is provided from the registration fee and is made available to the Chairman of the Conference for the purpose of increasing the participation of research scientists who could not otherwise attend and participate because of financial limitations. Its use is not limited to scientists who have been invited by the Chairman as a speaker or discussion leader. The money is to be used as an assistance fund only and may be used to contribute toward Conferees' travel expenses, registration fee and/or subsistence expenses at the Conference, or both. Total travel and subsistence expenses usually will not be provided.

#### Erratum
