

Corrigendum

The reactions of [tris(trimethylsilyl)methyl] silicon halides and hydrides with electrophilic reagents, by C. Eaborn, D.A.R. Happer, S.P. Hopper and K.D. Safa (*J. Organometal. Chem.*, 188 (1980) 179–192).

Page 183, Table 1

For Et₂I, entry 65 should show 55% rearranged and 45% unrearranged product. For EtMeI, the corresponding figures for entry 69 should be 44 and 56% and for entry 70, 65 and 35%. The discussion is not affected.
