

Errata

A new method for the preparation of allylstannanes containing functional groups, by Y. Ueno, M. Ohta and M. Okawara (*J. Organometal. Chem.*, 197 (1980) C1—C4)

Page C4, line 4 should read

Methyl 3-*p*-toluenesulfonyl-4-pentenoate (**1e**). To a mixture of allyl tosyl

Alkali metal hydrides; new metallating reagents for germanium and tin; by R.J.P. Corriu and C. Guerin (*J. Organometal. Chem.*, 197 (1980) C19—C21)

Page 20, 3rd line underneath Table 1 should read:

pension of the alkali metal hydride NaH or KH (22 mmol) in DME. A clear yel-
