

Announcement

VII International Symposium on Homogeneous Catalysis

This symposium will be held in Lyon, France on 3–7 September 1990.

Details from: Dr. J.M. Basset,
ISHC-7, Institut de Recherches sur la Catalyse,
2 avenue Albert Einstein
69626 Villeurbanne Cedex (France)

VIII FECHM Conference on Organometallic Chemistry

This conference will be held at Veszprém-Balatonfüred, Hungary on 27 August–1 September 1989.

Details from: Dr. J. Palágyi,
Institute of Organic Chemistry,
University of Chemical Engineering,
P.O. Box 158,
H-8201 Veszprém (Hungary)
