

Meeting announcement

The 7th International Conference on the Organometallic and Coordination Chemistry of Germanium, Tin and Lead (7th ICOCC) will be held in Jūrmala, near Riga, Latvia, on 20–25 September, 1992.

Further information may be obtained from: Professor E. Lukevics, Chairman Organising Committee 7th ICOCC, Institute of Organic Synthesis, Latvian Academy of Sciences, Aizkraukles str. 21, Riga 6, Latvia, USSR. Fax: (0132) 138683. Telex: 161174 DUGA SU. Cable Riga Synthesis.

Erratum

Re: Alkylierungsreaktionen eines anionischen Ethylisocyanid-Komplexes von W^0 ; Synthese von Alkyl-, η^3 -Iminoacyl-, 1-Azaallyl- und Dialkylaminocarbin-Komplexen des Wolframs; by A.C. Filippou, W. Grünleitner and P. Kiprof (*J. Organomet. Chem.*, 410 (1991) 175–210)

The footnotes to Table 2 on pp. 188–190 are missing; they should read as follows:

^a a = C_6D_6 , b = Toluol- d_8 , c = THF- d_8 , d = CD_2Cl_2 . ^b Methyl- und Methylenprotonen der *N*-gebundenen Ethylgruppe.
