

## Erratum

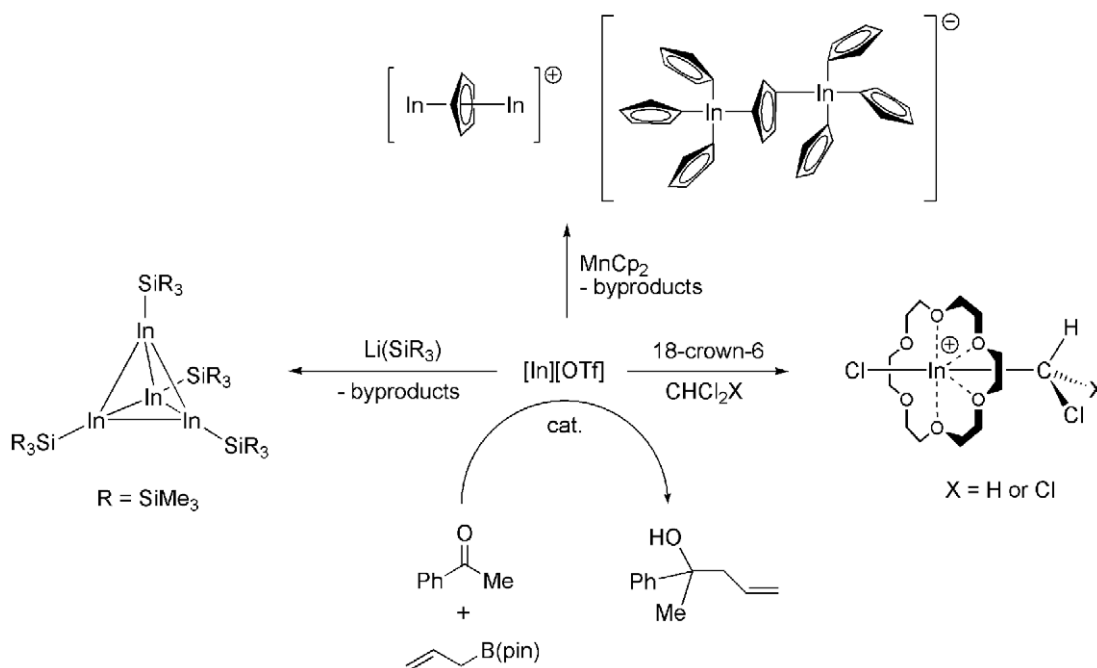

## Erratum to “Synthesis and structure of an indium(I) “crown sandwich” [J. Organomet. Chem. 693 (8–9) (2008) 1707–1711]”

The authors found a small but significant error in [Scheme 2](#) (p. 1708) of this paper after publication: a methylene group was inadvertently omitted from the product of the allylation reaction reported in Ref. [24].

The correct [Scheme 2](#) is as follows:

**Scheme 2.** Some of the reported organometallic chemistry of InOTf.
