Palladium and platinum complexes with planar chiral 1,2-disubstituted ferrocenes containing phosphine and thioether donor groups [Journal of Organometallic Chemistry 693 (2008) 1469–1477]

Raluca Malacea, Lucie Routaboul, Eric Manoury *, Jean-Claude Daran, Rinaldo Poli *

Laboratoire de Chimie de Coordination, UPR CNRS 8241 liée par convention à l'Université Paul Sabatier et à l'Institut National Polytechnique de Toulouse, 205 Route de Narbonne, 31077 Toulouse Cedex, France

There is a mistake in Table 3 of the paper by Malacea et al. [Journal of Organometallic Chemistry, Volume 693, Pages 1469–1477,

2008]: compound **2b** is given with two different space groups *Cc* and *P1* whereas the only correct space group is *Cc*.
