

## Erratum

The commentary on N. A. Wenger, S. Deacon, N. W. T. Harradine. A randomized control clinical trial investigating orthodontic bond failure rates when using OrthoSolo universal bond enhancer compared to a conventional

bonding primer, which appeared on page 25 of the *Journal of Orthodontics* 35(1), should have listed the author of the commentary: Andrew Quick (Dunedin, New Zealand).

The Editors apologize for this omission, which has been rectified in the electronic version of the Journal.
