

Erratum

Roques BP. Insights into Peptide and Protein Functions: a Convergent Approach. *Journal of Peptide Science* 2001; **7**: 63–73.

Li H, Jiang X, Goodman M. Synthesis, Conformational and Biological Activities of Lanthionine Analogs of a Cell Adhesion Modulator. *Journal of Peptide Science* 2001; **7**: 82–91.

The colour plate sections, which appeared between pages 64–65 and 90–91 of Volume 7 issue 2, were transposed. Apologies to Professor Roques and Professor Goodman, Dr Li and Dr Jiang for this error.
