### **R.B. Merrifield: European footnotes to his life and work**

John H. Jones

*Journal of Peptide Science* 2007; **13**: 363–367  
DOI: 10.1002/psc.857

It has come to our attention that this published article contained an error.

The legends for Figures 5 and 6 were transposed. The correct legends for each are as follows:

**Figure 5** Merrifield speaking during the opening session of the 23rd EPS, Braga 1994, wearing the Silver Medal of the University of Minho which had just been presented to him. Courtesy of Hernâni Maia.

**Figure 6** Merrifield becomes an Honorary Doctor of the University of Barcelona 1986. Courtesy of David Andreu.

We apologise for the confusion.
