Borax, in fine powder.....	10 Gm.
Glycerin .....	5 Gm.
Clarified Honey .....	85 Gm.

Mix the Borax with the Glycerin, then add the Honey and stir till dissolved.

## THE DRUGGIST AND THE MEDICAL ALMANAC.

"Soon will the festive almanac men of the nostrum makers begin to flood the innocent and defenseless public with their nauseating booklets, each bearing on its back cover the printed endorsement of their truck by the retail druggist. And the pity of it is that many druggists will 'fall for it,' as the expressive slang phrase is. But there is some consolation in the fact that an increasing number of druggists have seen a light, and have seen that the more intelligent of their customers have seen the same light, and are no longer advertising to the public that they are partners with the nostrum people in their gentle little game of gulling the unsophisticated. The time is not yet ripe for the druggist to refuse entirely to handle nostrums, but the time is at hand, and has been at hand for some years, when it pays druggists to let it be known that they do not endorse false statements published broadcast by the nostrum makersr."—*Druggists' Circular*.
