LETTER NO. 10.

June 10, 1938.

To the Members of the Council:

57. *Use of Text of N. F. VI.* Motions No. 20 (Council Letter No. 8, page 439) and No. 23 (Council Letter No. 9, page 526) have been carried and appropriate notices have been forwarded.

58. *A. Ph. A. Laboratory.* Motion 21 (Council Letter No. 8, page 442) has been carried and the Rules for the Supervision of the Laboratory are approved as submitted, and the persons named are declared elected as members of the permanent Committee on Laboratory to serve as indicated.

59. *Election of Members.* Motions No. 22 (Council Letter No. 8, page 439) and No. 23 (Council Letter No. 9, page 526) have been carried and applicants for membership numbered 339 to 392, inclusive, are declared elected.

60. *Change in Name of the Detroit Branch.* The following is quoted from a letter received from Secretary Bernard A. Bialk for the information of the members of the Council: "Please be advised of the action taken officially by the Branch in changing of the name it has been known by for twenty-five years. At the April meeting, on motion of Mr. R. L. McCabe, the name of the Branch was officially changed from the Detroit Branch to the Michigan Branch of the AMERICAN

PHARMACEUTICAL ASSOCIATION. The proceedings of the April meeting, which you have at hand, contain the action taken on the change."

61. *Tentative General Program of the Minneapolis Meeting.* Local Secretary Rogers, with the approval of the Local Committee on Arrangements, and the Committee on General Program, submit the tentative program as attached to this letter. (See page 449.) The management of the Hotel Nicolle has approved the assignment of meeting rooms. It may be necessary to make minor changes in the tentative program as submitted and if so, the Council will be advised. In general arrangement, the program follows that for the New York meeting.

(*Motion No. 25*) It is moved by Kelly that the Tentative General Program of the Minneapolis Meeting be approved as submitted.

E. F. KELLY, *Secretary.*

INTERNATIONAL PHARMACEUTICAL FEDERATION.

LEYDEN, HOLLAND.

To the Presidents of the National and Affiliated Associations.

Sirs:

In a meeting of the Bureau which met May 18th, there was discussed the question of very intensive international collaboration. As you know, there exists an understanding between the many countries for the exchange of pharmacists who desire to study practical pharmacy in another country.

The Bureau hopes that it will be possible to make, in a short time, some plans concerning international courses to be given by professors and other competent speakers. These propositions will be placed before the next General Assembly.

During the discussion we learned that one does not know yet what center of documentation has been formed in the general secretaryship of the Federation, and it is above all to draw your attention to this that we address ourselves at this moment to the Presidents of the Associations.

The Federation has her friends in all the countries of the world, and when you yourself, or one of your members, desire to contact foreign brothers, it is sufficient to turn to the General Secretary of the Federation, who can give very often the necessary information. In many instances when a member of a National association desires to have an introduction to the laboratories in certain countries, the General Secretary has been able to introduce those colleagues among the indicated institutions.

We hope you will draw the attention of your member, whether professional or scientific, to this work. On the other hand, we hope that the Bureau of our Association will give you all useful information and all the help of which you will have need, and that you have always secured the assistance of the national secretaries, when you have consulted them.

Receive, Mr. Presidents, our devoted sentiments.

For the Bureau of the Federation,

E. HÖST MADSEN, *President.*
T. POTJEWIJD, *General Secretary.*
