SHOW YOUR INTEREST IN PHARMACY.

Honorary President, J. O. BURGE, suggests that members of the American Pharmaceutical Association should profit by their membership in this organization. He suggests the use by members of the insignia on their stationery and prescription blanks. Efficiency on the part of the member will make this mark indicative of, and become associated with, reliable pharmaceutical service.

If there is a desire on the part of members for such a cut, the JOURNAL will have type made, about the size of the one shown. The price of the cuts, including cost of mailing, will be fifteen cents each.

Please let us hear from you, so we may determine whether the expense of having the type made is warranted.
