I AM NO PESSIMIST.

I know druggists can make money. Lots of them are making money right now and all the time. But they are not doing it by defying conditions as they are. They are making money, in most cases, because they have kept abreast of the times, do business in a live manner and meet every condition that appears face to face.

The druggist who makes money knows that good-will is his strongest asset and this can never be gained by a system of arbitrary prices in the face of live, cut-rate competition.—*Pittsburgh Druggist.*
