 DIVISION OF PHARMACEUTICAL CHEMISTRY,
 AMERICAN CHEMICAL SOCIETY.

We are just in receipt of a communication from Secretary G. D. Beal, of the Division of Pharmaceutical Chemistry A. C. S., advising that the meetings of this Division will be held Wednesday and Thursday, September 3 and 4 (see also page 638, this number of the JOURNAL). The support of this Division is up to the members and small contributions are asked for; these should be transmitted to Secretary G. D. Beal, Chemistry Building, Urbana, Ill.

An open meeting is planned for discussion of patent legislation. The proposed Research Institute will be an important consideration of the meeting in which pharmacists are deeply interested.
