

BIBLIOGRAPHY OF PHARMACEUTICAL RESEARCH

Compiled by A. G. DuMez, Reporter on the Progress of Pharmacy.

All articles in these lists will be presented in abstract form in the bound volumes of the YEAR BOOK, which is issued annually. Those desiring abstracts immediately can obtain them for a fee of one dollar each by communicating with A. G. DuMez, University of Maryland, School of Pharmacy, N. E. Cor. Lombard and Greene Sts., Baltimore, Md.

APPARATUS AND MANIPULATIONS.

AGENCY WANTED FOR TOILET PREPARATIONS IN ENGLAND.

Consul D. A. Wilson, Bristol, England, states that he has been approached by a representative of a group of business men who are desirous of forming a company to handle American products exclusively, including toilet preparations. They wish to be the sole agents representing American manufacturers of well-

known and highly advertised products with full power on their part to appoint subagents, to distribute, and the like.

Interested manufacturers desiring to get in touch with this representative should address a letter to Consul Wilson to be transmitted through the medium of the Chemical Division.
