

Works or any one of a hundred other interesting places in the city. It is expected that arrangements will be made for a number of small trips of this kind if sufficient interest is shown by the members. It is up to them. If you are interested please write now to the local secretary so that he may get an idea of what is wanted. Address your letter to Leonard A. Seltzer, 32 Adams West, Detroit, Mich.

It may be interesting to state, too, that certain reforms are going to be inaugurated at the Detroit meeting in the conduct of the convention business. All the sessions will be held in the day time, and the evenings will be left free for rest, recreation and enjoyment. The Council, only, will meet at that time, and this will give a chance for the Sections to begin their work in the morning promptly at 9:30. Mr. Seltzer, the local secretary, is working out a plan of bulletin-boards so that a member who is sitting in one Section may know what is going on in others at the same time, thus making for a maximum of interest. Promptness will be exercised all along the line, and there is every expectation that the Detroit meeting will be a hummer!

THE A. PH. A. BUTTON.

AT the Nashville meeting, the production of a distinctive American Pharmaceutical Association button was authorized. The design selected is a gilt edged button having a shield in blue enamel edged with gold on a white field with gilt letters A. Ph. A. in English text across the shield.

This button should be worn by all members of the Association and will serve as an introduction to fellow-members. It should become the insigne of the professional standing of pharmacists.

The buttons made in double gold plate with rolled gold shoe and hard enamel will be supplied to members at 25c apiece. A limited number of 8 carat gold buttons have been ordered and these will cost the members \$1.00 apiece.

Every member should promptly order one of these buttons and wear it on every convenient occasion. Specify whether you want the backing to be the regular screw or a jewellers catch pin. Send all orders to

Dr. Henry M. Whelpley,
Treasurer American Pharmaceutical Association,
2342 Albion Place, St. Louis, Mo.
